Dear Louise,

Thank you for submitting your application for a Professor Susan Holland Excellence in Teaching Award, on behalf of your team, in the following category:

Category 2: PSH Excellence in Teaching – General Award

I am pleased to advise that your application has been successful and in recognition of your contribution addressing the following Selection Criteria, the selection committee has determined you be awarded \$1,500 (Gross inclusive superannuation):

- Demonstrated use of technology and/or innovation that enhances the student experience, engagement and outcomes.
- Contribution and participation in learning and teaching or leadership initiatives within the vertical that enhance student learning and improve outcomes.

On behalf of the Committee, I offer our sincere congratulations.

While it's always nice to receive a tangible prize, the greater value here is of course the recognition of your professional capabilities and the addition of that recognition to your portfolio.

We will be recognising all awardees in the Weekly Bulletin and we also request that you deliver a brief presentation on your initiatives to your Vertical Learning and Teaching Committee(s).

Award payment will be via Payroll.

Thank you for participating in these awards and for your ongoing commitment to teaching excellence.

Yours sincerely
